U.S. 6 Drainage Repairs

(East of IL 251 in Peru)

Ottawa, IL – The Illinois Department of Transportation announces that road construction will begin July 6, 2015 (weather permitting) on U.S. 6, just east of IL 251 in Peru.

A \$392,380.44 contract has been awarded to Len Trovero Construction Company of LaSalle, IL for the work which consists of various drainage related repairs. Work is anticipated to be complete by mid-October, 2015.

Motorists are advised to be alert for changed traffic patterns, flaggers and all other workers.

Please slow down and use extreme caution while driving through all work zones.

WORK ZONE SAFETY
IT'S YOUR RESPONSIBILITY
